**Have you or someone you know participated
in one of the memorable 59 years of Palos Verdes'
Old-Fashioned 4th of July Celebrations?**

You may have baked an apple pie for the contest, decorated a bike with streamers, shepherded your child along the parade route, attended the puppet show, written a school essay, or even been a winner. Generations have picnicked while listening to the live music and sung along to The Star-Spangled Banner or run a three-legged race with siblings, parents or friends. You may have laughed, cheered or been moved to tears by guest speakers from **Jimmy Stewart** to SpaceX COO **Gwynne Shotwell**, Marvel's **Stan Lee**, **Tommy Lasorda** and LA Mayor **Richard Riordan**.

What you may not know is that this event continues because of private contributions, not public funds – the way it was intended from the start.

This event can only continue if people like you donate. An all-volunteer committee donates their time and money to put together this annual celebration. We are grateful for loyal patrons who give year after year, but often we operate at a deficit as we have for the past several years. So if you count yourself as one who has enjoyed this event in the past or plans to in the future, please consider a donation this year. Your name will be recognized in our program and donations are tax deductible. **Help us keep this special local tradition going strong.**

Patriotically yours,

The Palos Verdes Independence Day Celebration Committee
